

How to measure your bracelet size?

To measure your wrist size for yourself, follow these easy steps.

1. Wrap a measuring tape or piece of string loosely around the base of your wrist, along the wrist bone.
2. Use the following chart to determine how large of an opening you will want on your bracelet.
Take the measurement of your wrist and add the appropriate amount provided for each fit you are interested in.

Bracelet Fit Chart

Please note that all measurements are approximate.

Bracelet Style	Add this amount to Wrist Size
Bangle	Double the size of your wrist
Snug Fit	1/4 to 1/2 inch (6.35 - 12.7 mm) larger
Comfortable Fit	3/4 to 1 inch (19 - 25.4 mm) larger
Loose Fit	1 1/4 inch (31.75 mm) larger
