

To determine your ring size, please print out this document and take the following steps:

- 1.) Cut out the ring sizer along the dotted lines.
- 2.) Create a small slot by cutting along the dotted line next to the arrow labeled "your ring size."
- 3.) Insert the pointed end of the ring sizer into the slot, forming an adjustable circle.
- 4.) Place the ring sizer around the finger you wish to measure and adjust it to fit **as snugly as possible**.
- 5.) The arrow will point to your approximate ring size.
